Cannonau di Sardegna Riserva DOC

- Varieties: 100% Cannonau
- Type: Red
- Region: Sardegna, Italy
- Alcohol Level: 15.0%

Wine Description:

Hand-picked in the early morning. Maceration on the skins lasts approximately ten days, followed by malolactic fermentation. Aged in 3,000-liter French oak barrels for twelve months, followed by another three months in stainless steel and three months in bottle before release.

Tasting Note:

Deep red with a ruby-purple edge, impenetrable. Notes of blackberry jam and small red fruits combined with notes of leather and spice. Tannins are present but elegant, with structure and body, and a long finish.
