Wine Description:

From our cooler Hawke's Bay sites, gravels for structure and lift, and clay for roundness and depth. Fermented in stainless with gentle pump-overs to keep the fruit front and centre. A touch of oak adds richness without weight. Bottled early to lock in freshness, this Pinot is all about vibrancy, flavour, and easy drinking.

Tasting Note:

Floral? Maybe. Flavour? 100%. Fresh berries, soft spice, smooth finish. Pinot with personality.

Food Pairing:

Spot on with pulled pork sliders, duck bao buns, or a loaded cheeseburger.
