

Port Wine Cockburns Fine Ruby Port Portugal 75cl

Product details

Cockburn's Fine Ruby Port is a classic fortified wine from Portugal's Douro Valley. It blends young red grapes and ages them in oak for about 3–4 years. This creates a sweet, full-bodied, 19% ABV wine with bright red fruit flavors like cherry and raspberry.

What makes it special:

Port is a **fortified wine**, meaning brandy is added to it during fermentation. This stops the fermentation process early. As a result, the wine keeps its natural grape sugars. It becomes much sweeter and stronger than regular red wine.
