Wine Description:

Itinera is produced by MGM – Mondo del Vino, a large Italian wine producer founded in 1991. Today, the company is one of the top exporters of Italian wines, which are produced from a multitude of Italian regions spanning from Piedmont to Sicily. They are known for their innovative way of thinking, producing and making great value quality wines. They have a team of oenologists, winemakers, and professionals in the field. Since 2016, MDV has begun to weigh and measure its environmental impact using various scientific tools and they are the first winery in Europe to embrace the EU green policy.

Tasting Note:

This is a beautifully fresh and well-balanced Prosecco with plenty of enticing flavours of pear and peach. Soft, gentle bubbles carry light, floral notes across the palate. Pretty, aromatic bouquet, fresh fruity flavour and a gentle mousse make this Prosecco an ideal aperitif for parties and celebrations. It offers good quality at an excellent price tag.
