Wine Description:

Orvieto DOC Classico - La Piuma is a white wine that represents the winemaking tradition of Umbria, a region known for producing high-quality wines. This wine is made from a selection of Trebbiano, Grechetto, and Verdello grapes, grown on the hills surrounding the city of Orvieto, in calcareous, mineral-rich soils that lend the wine a distinct freshness and aromatic complexity..

Tasting Note:

An intense straw color with a fruity and pleasant nose leading to a fine and delicate palate. Herbal, ripe melon and pear nose. A long, dry, chalky and textured finish. Perfect with fish dishes and salads.
