Wine Description:

Tahuna captures New Zealand's wild beauty-forged by crystal rivers, golden sands, rolling hills, and rugged peaks. From the sunlit vineyards of Marlborough and Nelson (41° south), each bottle captures over 2,000 hours of sunshine, revealing radiant fruit and pure, vibrant flavour.

Tasting Note:

Our Pinot Noir reveals lifted aromas of raspberry, blackcurrant, and delicate florals. Juicy berry fruit and subtle spice flavours unfold on the palate, layered with warm clove and a silky texture that carries through to a smooth finish.
