

Plateau Grand Reserve

- Varieties: 100% Pinot Noir
- Type: White
- Region: Hawke's Bay, New Zealand
- Alcohol Level: 13.5%

Wine Description:

Sourced from the higher Plateau Vineyard in Hawkes Bay, where cooler conditions sharpen Pinot's character. Destemmed into open and closed tanks, hand-plunged and gently worked for balance. A mix of wild and cultured yeasts, natural malolactic in barrel and nine months in French oak, 15% new and 22% second fill, adds depth and serious character.

Tasting Note:

Cherry, berry and spice lifted by sweet florals. The palate is rich yet vibrant, silky in texture and drawn out to a long, moorish finish. A Pinot Noir that speaks with quiet confidence.

Food Pairing:

From duck confit and mushroom risotto to chargrilled salmon or roasted game. Whether classic French, modern Asian or casual bistro, it finds its place.
