- ABV: 13.5%
- pH: 3.27
- RS: 1.8 g/L
- TA: 6 g/L

Wine Description:

Bodegas Salentein is the pioneer of premium wine production in the acclaimed Uco Valley, where the ideal conditions for growing vines and the unique qualities of the estates' five different microclimates result in exceptional wines.

The grapes are hand-harvested to preserve the optimum freshness of the fruit. After destemming, the grapes are transferred to stainless steel tanks, where cold maceration takes place at a temperature of 45 -50°F. Fermentation lasts for 10 to 15 days.

Tasting Note:

A deep red ruby wine. The nose is fruity with pronounced aromas of redcurrant, ripe plum, black cherry and spice. The wine has a well-balanced palate, with a distinct varietal character and full body.
