Wine Description:

Dedicated to the irresistible and ambitious Angelica Sedàra, played by the wonderful Claudia Cardinale in the film version of "The Leopard" directed by Luchino Visconti. The label is inspired by the Donnafugata wineries in the Municipality of Contessa Entellina.

Tasting Note:

Ruby red in color, Sedàra offers fruity aromas of black cherry and wild berries on the nose, accompanied by balsamic and spicy notes of black pepper. On the palate, it is enveloping, fresh, and juicy. A versatile red for food pairings
