

An Dúlamán Irish Maritime Gin 50cl

Product details

An Dúlamán Irish Maritime Gin 50cl is a super-premium spirit crafted at Ireland's Sliabh Liag Distillery. Bottled at 43.2% ABV, it features 11 botanicals, including five locally harvested seaweeds that give it a unique, savory, and buttery flavor profile.

Here are the key details you need to know:

- **The Taste:** It has bright juniper, a brisk sea salt finish, and an umami (savory) taste. You will also notice a smooth, buttery texture with hints of chestnut.
- **The Bottle:** Each dark 50cl bottle is shaped to look like historical glass found on the Donegal coast from the Spanish Armada wrecks.
- **How to Serve:** It is best paired with a classic or light tonic water, a lemon tonic, or mixed into a martini.
