

30° SOUTH

Shiraz

- Varieties: 100% Shiraz
- Type: Red
- Region: South of Australia, Australia
- Alcohol Level: 13.5%

Wine Description:

The grapes for this Shiraz are grown on sandy soils over limestone. Careful irrigation techniques across these vineyard sites promote well-balanced canopies allowing the fruit to ripen with optimal flavours.

Tasting Note:

This Shiraz is a crimson red colour with purple hues, displaying concentrated plum and spice aromas. A medium-bodied wine with fresh flavours of juicy black cherries and hints of spicy oak combine with soft tannins to give a lingering finish.
