GEWÜRZTRAMINER

VQA NIAGARA PENINSULA

HARVEST

Optimal ripening conditions allowed the 2013 vintage good complexity and exceptional quality. Spring had a cool start moving into a warm summer and excellent ripening time. Abundant sunshine, minimal rain and warm daytime temperatures in September to mid October gave the early white varieties great aromatics and ripe fruit- in particular, Sauvignon Blanc, Gewurztraminer and Riesling. Harvest began on Sept. 6th with the sparkling base for Chardonnay and Pinot Noir. Good colour extraction and tannins in the full range of reds reflect their good phenological ripeness especially with Merlot and Pinot Noir.

WINEMAKING

Predominantly from our Delaine vineyard, this aromatic Gewürztraminer was harvested October 7th at peak ripeness. The fruit underwent a 12-hour cold soak on skins before being pressed and fermented in stainless steel. Aromatic yeast strains accentuated the wine's signature lychee, grapefruit, and rose water aromas, alongside its inherent oily and spicy qualities. Fermented for 17 days at 13°C, the wine then aged on lees for 6 months in tank, with 10% barrel-fermented in neutral French oak to enhance palate texture and weight.

WINEMAKER'S NOTES

This wine is brimming with notes of Turkish Delight, orange blossom, grapefruit and elderflower aromatics. On the palate, this wine is built on an oily, yet refreshing frame that is supported by intense flavours of lychee, rosewater, lemon curd, and fresh ginger.

FOOD PAIRINGS

The 2024 Gewürztraminer is the perfect partner with Asian fusion dishes, ideal with Vindaloo curry with mango chutney, Malaysian coconut Laksa, ginger chili shrimp or Indonesian satay. This wine is refreshingly delightful to sip on its own, too!
