Laguzelle Minervois AOC

- Varieties: Cinsault, Syrah, Grenache
- Type: Red
- Region: Languedoc-Roussillon, France
- Alcohol Level: 12.0%

Wine Description:

A blend of predominately Cinsault, with Syrah and Grenache. This is a vibrant and youthful wine that ferments and rests in tank only.

Tasting Note:

Red fruits and freshness, juicy and light, easy drinking and an absolute crowd pleaser. In the warmer months it even happily enjoys a chill in the fridge. If ever there was a wine to please the Pinot and Shiraz drinker, then this is it.
